Sutton E. Griggs (1872-1933) was a significant African American social reformer, pastor, and prolific writer. His successful first novel, *Imperium* in *Imperio* (1899), addressed in a forceful way the plight of Black Americans in post-Reconstruction America. Using Griggs's life story as a platform, *Sutton E. Griggs and the Struggle against White Supremacy* explores how conservative pragmatism shaped the dynamics of race relations and racial politics during the late nineteenth and early twentieth centuries. More precisely, the book examines the various intellectual tactics that Griggs developed to combat white supremacy.

Finnie D. Coleman is associate professor of English and director of the Africana Studies Program at the University of New Mexico.

 Pub Date: 4/15/2011

author picture:

When his widowed mother's only bean pot cracks, eleven-year-old Raymundo knows his family's last hope lies with Clay Woman, a Genízaro outcast and quite possibly a powerful witch. In addition to drought and famine, Raymundo faces the return of Comanche raiders and his mother's failing health as he risks all to learn Clay Woman's secrets.

Emerita Romero-Anderson is a sixth-generation Hispana born and raised in San Luis, Colorado, and is a descendant of the town's earliest settlers in 1851. She lives in San Luis, where she writes and is active in community and civic work. Artist and illustrator Randall Pijoan is a resident of Amalia in northern New Mexico.
